

QUALITY POLICY

Through competitive company structure and with motivated personnel we will continuously develop our business towards increased profit, and produce quality products and provide services to our customers' satisfaction.

All internal and external processes and documents should always be characterized by the outmost quality.

This Quality policy has been approved by the Board of Directors of Ovako AB on December 13, 2010

Stockholm in April 2011

A handwritten signature in blue ink, consisting of stylized, overlapping loops and lines.

CEO, President
